RE: 249 Toll Road

Dear Texas Transportation Commission Members,

The Montgomery County Commissioners Court signed a resolution on June 13, 2017, during the regular session of the Commissioners Court in favor of the 249 Tollway being completed from Tomball to Todd Mission. This resolution sparked controversy by not only the differing views of our own court members, but also the other elected officials, community leaders and citizens all of whom addressed the court.

This resolution was not a unanimous decision as it obtained a 3-2 vote. I was one of the nay votes for this resolution and firmly believe if this contentious initiative is placed before the taxpayers of Montgomery County it will be voted down. I hereby ask for TxDOT to build, fund and maintain the 3.6-mile section of the 249 Tollway.

Regards,
